

October 2013

Dear Health Care Provider:

I am pleased to inform you that we have resumed shipping **Pentacel**<sup>®</sup> (Diphtheria and Tetanus Toxoids and Acellular Pertussis Adsorbed, Inactivated Poliovirus and Haemophilus b Conjugate [Tetanus Toxoid Conjugate] Vaccine) as well as additional supplies of **Adacel**<sup>®</sup> (Tetanus Toxoid, Reduced Diphtheria Toxoid and Acellular Pertussis Vaccine Adsorbed), **DAPTACEL**<sup>®</sup> (Diphtheria and Tetanus Toxoids and Acellular Pertussis Vaccine Adsorbed), and **TUBERSOL**<sup>®</sup> (Tuberculin Purified Protein Derivative [Mantoux]) to customers.

While we continue to increase production, we acknowledge that initial supply will remain limited and account level allocations will continue to be utilized. Please log onto **VaccineShoppe.com**<sup>®</sup> for practice specific allocation information.

I am aware that our supply situation has created disruptions and we at Sanofi Pasteur take this matter very seriously. We are committed to providing updates as additional supply of these vaccines becomes available.

Thank you for your continued commitment to the Sanofi Pasteur portfolio of vaccines. We appreciate your patience and look forward to continuing to partner with you for your immunization needs.

Should you have any questions or require additional information, please contact your sales representative, or reach out to our customer account representatives at **1-800-VACCINE** (1-800-822-2463).

Sincerely,

A handwritten signature in black ink, appearing to read "W. Averbeck".

William Averbeck

Vice President, Marketing US
