

**1** From the *Influenza Vaccines* tab, click Reserve Doses to begin a new reservation or Edit Reservation to edit an existing reservation. Once the desired products have been added to cart, click *Save and continue* to proceed to step 2 of the reservation process.

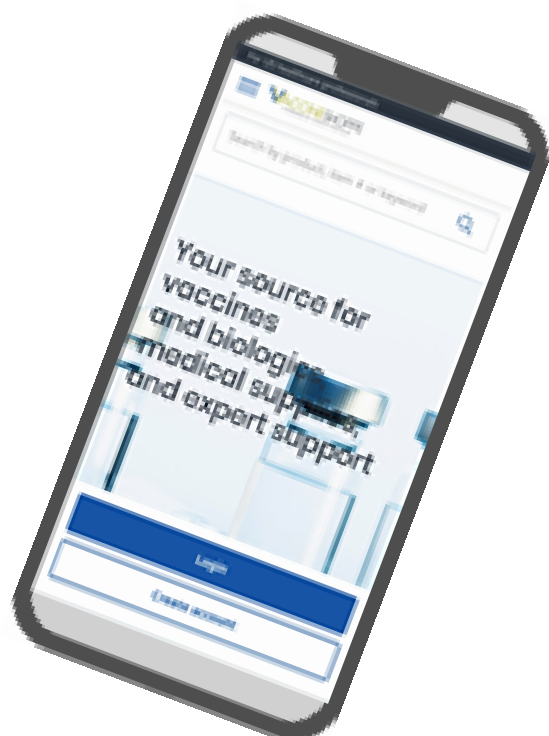

**2** On the *Verify Payment* step, you will be able to review doses and add SMS text messaging alerts to your reservation by clicking the *Edit* button next to Reservation contact.

**3** The field for Mobile will be blank. Enter the phone number that you would like notifications sent to for this reservation. You may add up to three mobile numbers. Then click save.

*\*Message and data rates may apply.*

**4** Click the *Continue* button and *Yes, reserve* on the pop-up to complete your reservation.

**!** You will now receive order and shipping notifications for this order.

**Please note:** If you reply STOP to any VaccineShoppe order text message, you will not receive any text messages to that mobile phone from VaccineShoppe. If you wish to re-enroll that mobile phone number, you must wait 30 days from the day you replied STOP due to privacy and other regulations.
