

## Logging-on & Creating a New Username

**Note:** For improved security, the new website requires that each email only be associated with a single username and account. If your email was associated with multiple emails or accounts, you will need to sign up with a single username for a single account.

### LOGGING-ON

From the main homepage, simply enter your current Username and Password. If you've forgotten either, simply click the **Forgot Username or Password** links.

### CREATING A USER NAME

If you're new to VaccineShoppe or need to add a new user to an existing account, you can do so from the log in module on the homepage or in the navigation.

The screenshot shows the 'CUSTOMER LOGIN' form. It includes fields for 'Username' and 'Password', a blue 'Login' button, and a link for 'Forgot username or password?'. Below the login section, there is a section for 'New to VaccineShoppe?' with two options: 'Add a new user to an existing account' and 'Create a new account for your organization'. Callout 1 points to the 'Forgot username or password?' link, and callout 2 points to the 'Add a new user...' link.

## ONCE LOGGED IN – ACCOUNT OVERVIEW

You will land on the **Account Overview** page. This page represents a snapshot of your account in a single space. This page will contain information about your most recent **Order History, Invoices, Payments, Credits & Statements**. Additionally, you will find links to expanded historical views of all of those, as well as links to **Reports, your Influenza Orders**, and more.

You can also click the "My Account" link in the upper right corner to navigate to specific sections to manage your business:

The screenshot shows the user account navigation menu. The top bar includes 'For US healthcare professionals', 'Welcome FirstName LastName', 'My account' (with a dropdown arrow), and 'Log out'. The dropdown menu lists: 'Account Overview', 'Order History', 'Make a payment', 'My Profile & Preferences', 'Statements', and 'Payment History'. The 'My account' link is highlighted with callout 1.

- **Account Overview:** This is the main landing page when you login.
- **Order History:** View your Order History and order shipment statuses
- **Make a Payment:** Pay invoices, or simply view your Credits, Invoices and Scheduled Payments.
- **Statements:** View your historical Statements
- **Payment History:** Review payment history

## Managing Your Account

## Ordering Products

There are multiple ways to order products on the website. We will outline the following below: **Product Catalog**, **Quick Order**, **Reorder**, and **Saved Order**.

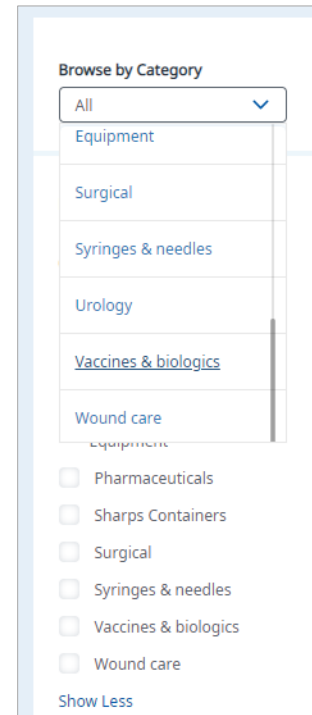

## PRODUCT CATALOG

Under the “**Order Products**” link in the website header, you will find a full product catalog. You can click the menu title to see all items from all categories, or click one of the individual categories to navigate deeper.

Once on the **Order Products page**, you can use the **Filters** in the left column to refine the listings and find the specific products you are looking for.

- Browse by Category
- Filter by Category or Manufacturer

Once you find the items you need, simply use the **Quantity box** to define how many you need, add use the “**Add to Cart**” button.

## COMPLETING AN ORDER

When you are ready to purchase the items you have added, simply click on the **Cart Icon**:

On the **Cart page** you will be able to review the items you added, pricing and quantities.

Utilize the calendar module at the top of the page to select your **Requested delivery date**.

**Requested delivery date**  03/10/2021

The requested Date is not a guarantee and may change based on product availability and unforeseen delays

Proceed to checkout

Once satisfied, you can click the “Proceed to Checkout” button, which will begin the **Checkout** process. You will still have an opportunity to review you quantities, total cost, shipping location, payment method, and contact.

Once on the **Checkout page**, you will be able to add information or make final checks, such as:

1. Add a PO, Attention name, and/or Special Instructions.
2. Check your totals

## Influenza Vaccine Reservations

### INFLUENZA VACCINES DASHBOARD

Upon clicking the "Influenza" in the header menu, you will be taken to your Influenza Dashboard. Here you can manage your current Influenza Vaccine Reservations or create new ones.

1. You will see all Active formula years on the left side of the page. If there are 2 formulas available, you will see reservations under each, and/or the ability to create a new reservation under each specific year.
2. If you have no reservations for a specific year:
  - a. You will see the "Reserve Doses Now" link in the left column.
  - b. You will also see a "Reserve Doses Now" button in the center of the Dashboard.
3. If you have any open reservations for a specific year (not yet fully shipped), you can add to that reservation rather than making a new one. *(more on that below)*

The screenshot shows the Influenza Vaccines Dashboard. At the top, there is a navigation bar with "For US healthcare professionals", "Welcome FirstName LastName", "My account", and "Log out". Below this is the Vaccineshoppe logo and a search bar. The main navigation includes "Order products", "Influenza vaccines", "Tools & resources", and "Reports". The dashboard content is titled "Influenza vaccines" and includes a "New reservation" section for the "2021-2022 Formula". A sidebar on the left lists "2021-2022 reservations" with a "Reserve Doses Now" button (2a), "2020-2021 reservations" with a dropdown menu (3), and a "Waitlist" section with "2 units". The main content area features a "Reserve your 2021-2022 influenza vaccines by March 31, 2021" message, three bullet points with checkmarks, and a "Reserve Doses Now" button (2b).

Once you select a specific reservation from the left side of the page, your center Dashboard will update with information on shipments within that specific reservation.

1. **Select Reservation:** Select a reservation in the left column by clicking on the number to open the data in the main Dashboard (you may also have a drop-down for selecting the reservation)

- My Shipments Charts:** The data in the middle of the page will populate with shipments specific to that reservation, including all TBD, Scheduled, and Shipped.
- Tracking:** Tracking information will populate as each shipment is tendered to a carrier.
- Edit Reservation:** If you need to make changes to your reservation (add or remove doses), click the "Edit reservation" button at the top of the Dashboard and step through the screens to submit changes.
- View Details:** If you simply need to view info for the existing reservation, but don't need to adjust, the "View reservation details" button will provide you will a thorough overview.
