

- 1 Once you have added all products to your cart, click Proceed to checkout on the *My cart* page.

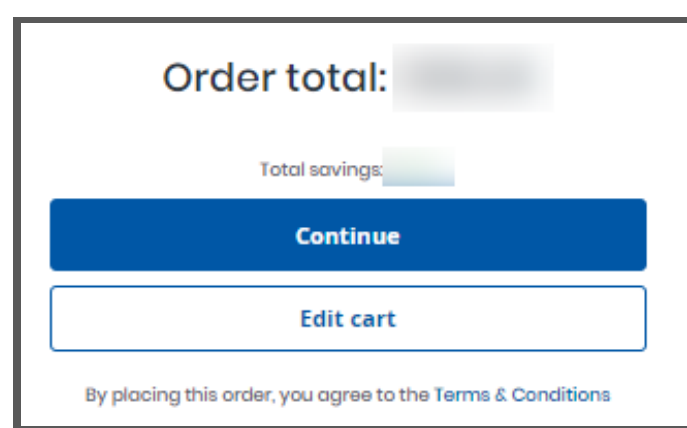

- 2 On the bottom right of the checkout page, click *Edit* next to *Order contact*.

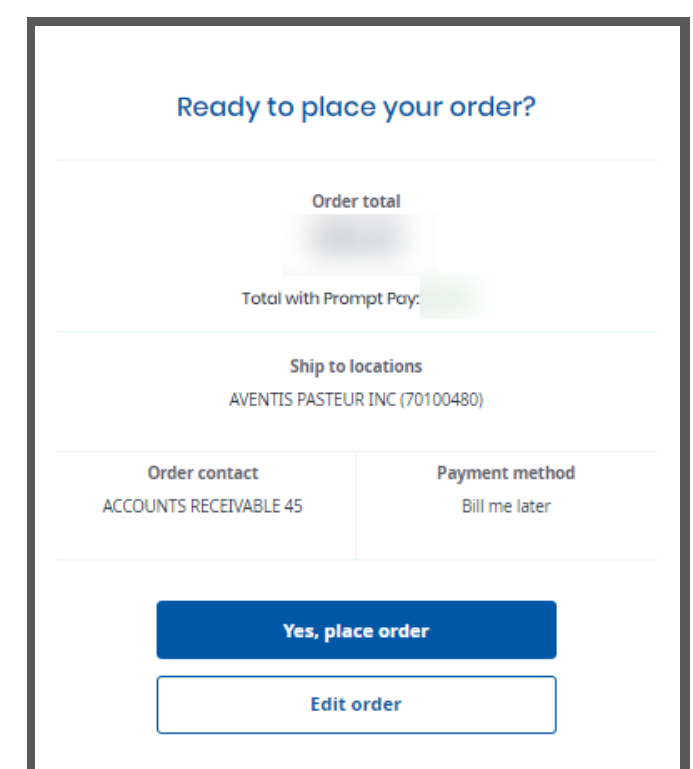

- 3 The field for Mobile will be blank. Enter the phone number that you would like notifications sent to for this specific order. Then click save.

Please note: This will need to be completed at checkout for each order.

- 4 Click the *Continue* button and *Yes, place order* on the pop-up to complete your order.

- !** You will now receive order and shipping notifications for this order.

**Please note:** If you reply STOP to any VaccineShopper order text message, you will not receive any text messages to that mobile phone from VaccineShopper. If you wish to re-enroll that mobile phone number, you must wait 30 days from the day you replied STOP due to privacy and other regulations.
